## WARNING

- Always respect applicable legislation for working with electrical equipment in order to reduce the risk of accidents.
- Avoid looking directly into the beam of light, as this will result in dazzling.
- Do not use the lamp near a naked flame.
- The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced

## BATTERY COMPLIANCE

- The work light is designed to be used with 18V Metabo CAS batteries.
- The lamp is also compatible with 3rd party 18V batteries by using the SCANGRIP CONNECT system.
- It is possible to use a SCANGRIP POWER SUPPLY instead of a battery.

Discarded electrical products must not be disposed of together with household waste. Please use recycling facilities. Ask your local authority or retailer for advice on recycling.
