

BONUS WEEKS

05.10.2026 – 11.12.2026
While stocks last!

HOW TO REGISTER FOR THE BONUS WEEKS

1. Buy a promotional tool (at your dealer or the Festool online shop)

Promotional tools ([Overview](#))

- PLANEX LHS 2 / LHS 2-M / LHS-E long-reach sander
- DOMINO DF 500 / DF 700 corded joining machine
- PSC 500 / PSBC 500 cordless pendulum jigsaw
- ExoActive exoskeleton

Important: At the Festool online shop, you'll automatically receive the reward at checkout. The following steps only apply if you purchased your product directly from a dealer.

2. Choose the registration form for your purchased promotional product

Website: [Bonus Weeks Registration site](#) (open with computer or smartphone)

Important: A maximum of 4 entries per customer/business is allowed. This applies regardless of whether the same or different promotional products are purchased (e.g., 4x PLANEX = 4x reward or 3x PLANEX and 1x DF 500 = 4x reward)

4. Identify the tool: Part and serial number

The part number and serial number can be found directly on your tool (not on the Systainer!). You can also click on the information button “i” for a sample image.

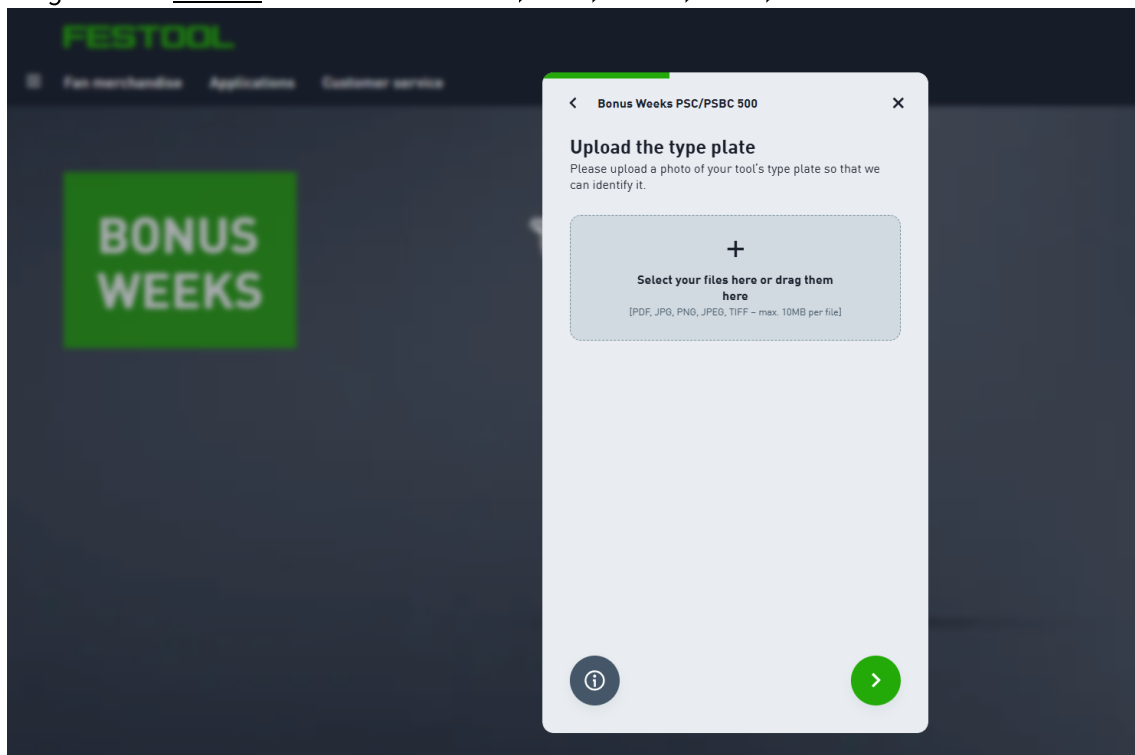

5. Product validation

If the part number and serial number are correct, you should now see part and serial number. If everything is correct, click **“Continue with the form.”**

6. Upload type plate

Take a photo of the type plate on your tool (not Systainer!) and upload the image. You can also click on the information button “i” for a sample image. The file should be no larger than 10 MB and can be a PDF, JPG, JPEG, PNG, or TIFF file.

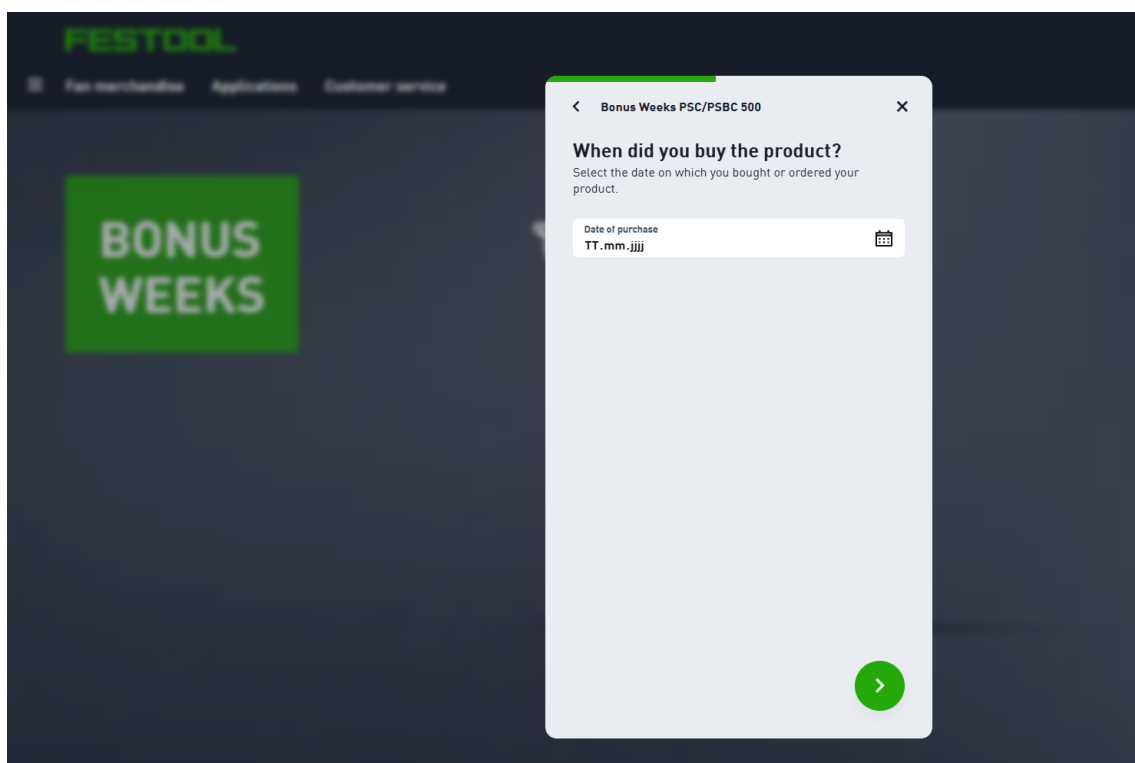

7. Purchase date

Select the date on which you purchased your product.

Important: The purchase date must fall within the promotional period

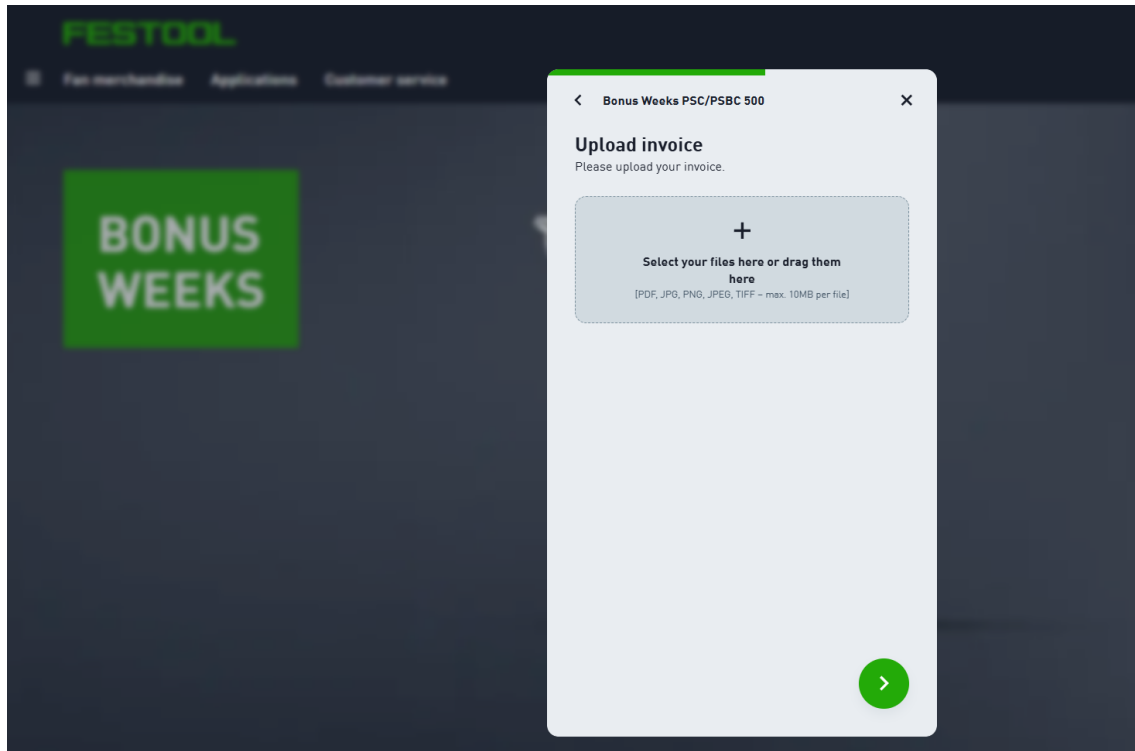

- PLANEX, DOMINO, EXOACTIVE: 05.10.-11.12.2026
- PSC/PSBC 500: 07.09.-11.12.2026

8. Upload invoice

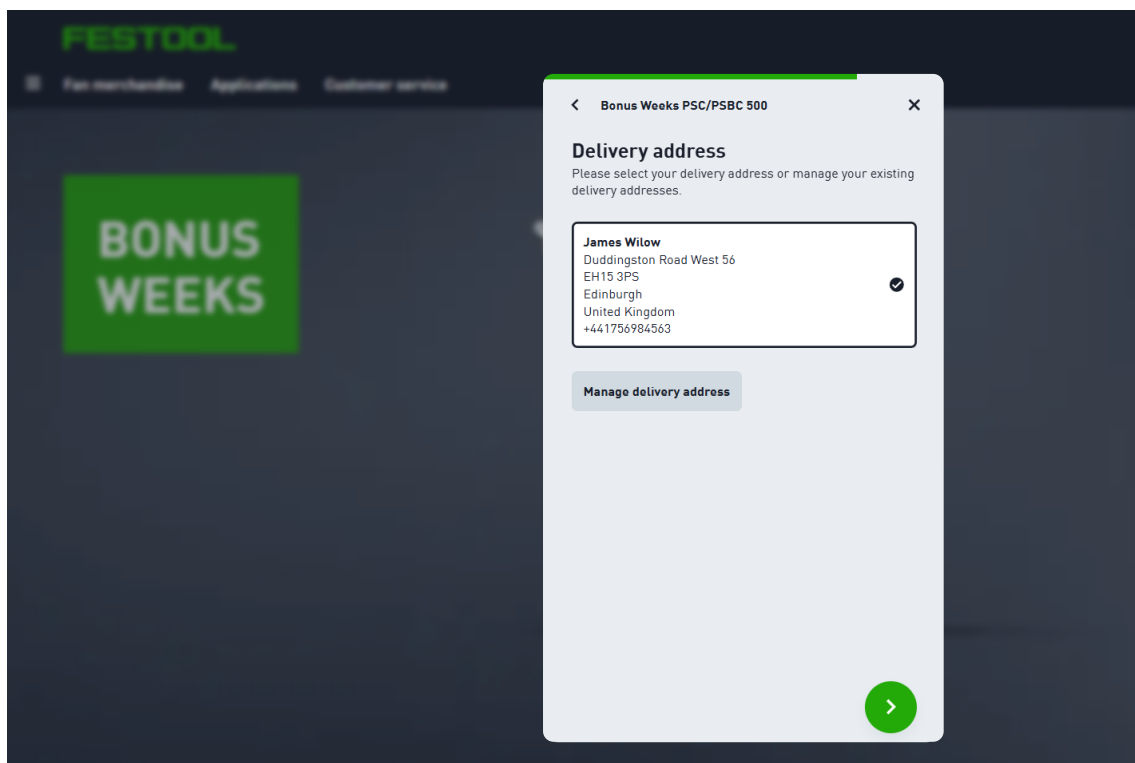

Take a photo of your invoice and upload it. The file should be no larger than 10 MB and can be a PDF, JPG, JPEG, PNG, or TIFF file.

Important: Each product must be registered separately, and the invoice must be uploaded separately for each registration.

9. Enter your address

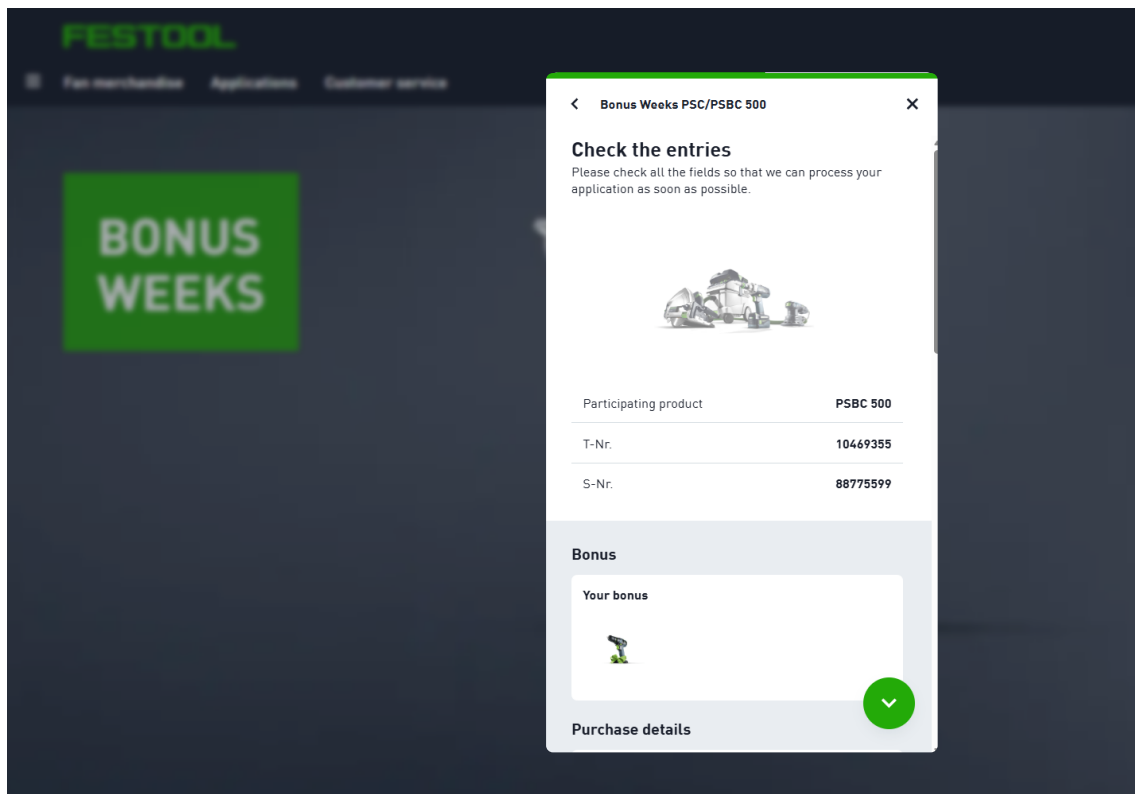

Please enter your address or choose the correct address from MyFestool.

10. Check your entries

Lastly, you must check your entries. If you scroll down, you will see all the data you have entered. You can also see the reward you get. Incorrect entries will delay the process or lead to the application being rejected.

Important: Once confirmed, the process is complete and you can no longer make any changes (please contact the Customer Service, if you want to change something afterward). You can check the status at any time in MyFestool, and we'll always send you an email whenever the status changes.
