

AIR COMPRESSEUR AC20216BL

The compact AC20216BL is a 16-litre compressor with a powerful 2HP motor. It comes with 2 air outlets so more than one tool can be used at the same time. It is ideal for trade professionals and for use with brad nailers, light/medium staplers as well as framing and a number of other applications. The convenient carry handle ensures the compressor to be transported easily.
